Firm Hosts Reception Featuring Author of "Politics, Health & Health Care"

On April 9, 2013, the Firm held a reception featuring "Politics, Health & Health Care" by Theodore R. Marmor and Rudolph Klein. From Yale University Press: "Two towering figures in the field of health care policy analysis, Theodore R. Marmor and Rudolf Klein, reflect on a lifetime of thought in this wide-ranging collection of essays published in the wake of President Obama's health care reform. The book offers their recent writings on the future of Medicare; universal health insurance; conflicts of interest among physicians, regulators, and patients; and many other topics." The Firm was delighted to welcome Theodore R. Marmor, professor emeritus of public policy, management, and political science at Yale University.
